### **State Topper Felicitation**

We extend our heartfelt congratulations to Ms. Bhavya for her outstanding achievement in the 2nd PUC board exams. Securing the 11th rank statewide and emerging as the 3rd topper in the district with an impressive 97.68% is truly remarkable. As a proud beneficiary of our foundation, Bhavya's success fills us with immense joy and pride.

We feel honored to have played a role in supporting her educational journey and witnessing her exceptional accomplishments. Embarking on the challenging yet rewarding path of an IAS aspirant demands perseverance, determination, and self-belief, qualities Bhavya has already demonstrated in her academic excellence.

With the same dedication and passion, we have no doubt she will successfully pursue her dreams of becoming an IAS officer. We wish her all the best in her future endeavors and are confident that she will continue to shine brightly in whatever she chooses to pursue.

## Education Support in the Form of School Fee

The Heart of Giving Foundation stepped in with a generous gesture to cover the school fees for students facing financial difficulties at Kendriya Vidhyalaya, Bengaluru. The timely intervention prevented these students from discontinuing their education due to unpaid fees. By alleviating the burden on these families, the foundation ensured that every child could continue their academic journey without interruption. This act of philanthropy underscores the foundation's commitment to promoting access to education for all. Through their support, the Heart of Giving Foundation has made a significant difference in the lives of these students and their families, enabling them to pursue their educational aspirations unhindered.

## Needuva Hrudhaya Foundation

Child - Chance -Change: Every child deserves a chance

### **Support to No Hungry Child Campaign**

Support for the No Hungry Child campaign has been instrumental in addressing the pressing issue of childhood hunger. Through various means such as donations, volunteer work, and advocacy, individuals and organizations have rallied behind this cause, demonstrating a shared commitment to ensuring that no child goes hungry. By providing nutritious meals, education, and support to underprivileged children, the campaign has made significant strides in tackling food insecurity and promoting child welfare. This collective support not only nourishes young bodies but also nurtures hope and resilience within communities facing adversity. Together, we continue to build a brighter future where every child has access to the sustenance they need to thrive.

### **Taluk Level Dance Competition**

The Heart of Giving Foundation, in collaboration with the renowned Appu Dance Academy, organized a vibrant Taluk Level Dance Competition tailored for children aged 7 to 17. This exciting event provided a platform for young dancers to showcase their talent and passion for dance.

Participants from various schools and communities came together to celebrate the artistry and creativity of dance. Through this competition, the Heart of Giving Foundation aimed to foster a sense of community spirit while nurturing the artistic abilities of the youth. The event not only promoted

they embarked on a collective mission to plant trees, infusing the air with hope and promise for a greener tomorrow.

With unwavering dedication and commitment, participants embraced their role as stewards of the environment, recognizing the profound significance of their actions extending far beyond the confines of a single day. Their initiative wasn't merely a symbolic gesture to mark World Environment Day; rather, it was a pledge to uphold environmental responsibility throughout the year.

By joining forces, the school community aimed to sow the seeds of lasting change, contributing to a landscape that thrives with greenery and vitality. Their collective efforts spoke volumes, echoing a powerful message of unity and purpose in safeguarding our planet.

The event stood as a poignant reminder that even the smallest of actions, when carried out collectively, hold the potential to yield remarkable results. As the trees take root and flourish, so too does the spirit of environmental consciousness, nurturing a future that is brighter, cleaner, and more sustainable for generations to come.

## Needuva Hrudhaya Foundation

Child - Chance -Change: Every child deserves a chance

On this World Environment Day, let us reflect on the state of our environment and consider the actions we can take to make a positive impact. Small changes in our daily lives can make a big difference, such as reducing waste, conserving energy, and supporting eco-friendly initiatives. By adopting sustainable practices, we can contribute to the well-being of our planet and future generations :

### World Sight Day - Awareness Program

The Heart of Giving Foundation recently conducted an enlightening awareness class on eye donation and the significance of eye care. As World Sight Day approaches, let's reflect on the extraordinary legacy we can forge through the selfless act of eye donation. Instead of traditional practices like burial or cremation, we have the opportunity to bestow the precious gift of sight upon two blind individuals. This legacy of light and hope holds the power to profoundly transform lives, offering newfound opportunities and independence.

## Needuva Hrudhaya Foundation

Child - Chance -Change: Every child deserves a chance

Let us collectively embrace this noble gesture, inspiring others to join the cause and spread awareness about the importance of eye donation. In the spirit of giving, let us become beacons of compassion, demonstrating the potential for positive change even beyond our lifetimes. Together, we can make a lasting impact on the world of those in darkness, leaving behind a legacy of empathy and kindness for generations to come.

## Heart Of Giving Foundation

### World Sight Day 2023 Be the Change

On this World Sight Day 2023, let's pledge to make a lasting impact by donating our eyes. Your selfless act can bring light to someone's world and grant them the gift of vision even after you're gone. Be a beacon of hope through eye donation

### **Medical Treatment Support**

Playsimple Games Pvt. Ltd. its collaboration with the Heart of Giving Foundation for a significant Corporate Social Responsibility (CSR) initiative aimed at providing crucial medical support to individuals in need. This partnership was instrumental in extending essential assistance to Mr. Felix Fabin during his treatment at Sakra World Hospital in Bangalore.

Mr. Fabin, who was admitted due to Pancreatitis, underwent a series of medical interventions to address his condition. The incurred expenditure encompassed a spectrum of vital medical services, including examinations, consultations, diagnostic procedures, medications, and attentive care. His complex condition, impacting multiple organs such as the lungs, kidneys, and liver, was further complicated by high blood sugar levels.

Thanks to the generous support of Playsimple Games Pvt. Ltd. and the Heart of Giving Foundation, allocated funds were directed towards providing comprehensive medical support to Mr. Fabin. It is with great joy that we report Mr. Fabin has now fully recovered, a testament to the combined efforts of dedicated medical professionals and the resources provided.

This partnership serves as a shining example of our shared commitment to making a positive impact in the community by extending support to those facing medical challenges. We extend our heartfelt gratitude to all parties involved for their invaluable contributions, and

reaffirm our dedication to supporting individuals like Mr. Fabin on their journey towards improved health and well-being.

### **Distribution of Tailoring Machine for the Trained Women**

In a significant stride towards women's empowerment, a Free Tailoring Training Program was launched in Somanathapura Village, Bagepally, in February 2023. This initiative not only equipped women with valuable tailoring skills but also provided them with tailoring machines, paving the way for economic independence. As a heartfelt gesture, cloth materials were supplied, enabling these skilled women to stitch uniforms for government school children, showcasing the program's commitment to community welfare. This multi-faceted Women Empowerment Program serves as a powerful example of the transformative impact that empowering women with skills and resources can have on both individual lives and community development.

### **Distribution of Sports Material & the Celebration of the Taluk Level Sports Meet Victory**

At Mamatha Vidhya Nikethan Primary School in Bagepalli Village, the air was filled with jubilation and pride as the Taluk Level Sports Meet Victory was celebrated with fervor. Amidst cheers, certificates, and trophies were bestowed upon the young athletes, commemorating their outstanding performance on the field. However, beyond the glitz of medals, this victory resonates with the ethos of giving back.

The Heart of Giving played a crucial role by providing sports materials, underscoring the significance of even modest contributions in nurturing talent and fostering sportsmanship. This achievement stands as a testament to the transformative power of philanthropy in shaping the dreams of budding athletes.

As we bask in the glory of this triumph, it's essential to acknowledge the dedication of the winners, their coaches, and all who have contributed to this remarkable journey. Together, let us extend our heartfelt congratulations to everyone involved, celebrating not just a victory, but a testament to the spirit of community and support.

### **Childrens' Day Celebration and Distribution of Sports Materials**

The Heart of Giving Foundation recently conducted a Children's Day celebration at Government Primary School in Kyalnur Village, Kolar district - coupled with the distribution of sports materials, underscoring the importance of promoting sports in rural government schools. Recognizing the pivotal role sports play in fostering holistic development and encouraging a healthy, active lifestyle among students, this initiative aims to overcome challenges such as limited resources and infrastructure.

Despite these obstacles, the benefits of sports are manifold, and integrating them into the curriculum establishes it as a regular and integral part of students' lives. This ensures consistent physical activity and emphasizes its significance in overall education.

Acknowledging and addressing the unique challenges faced by rural schools, the Foundation strives to establish a sustainable framework for promoting sports. This approach significantly contributes to the holistic development of students in these communities.

As part of this initiative, sports materials such as chess boards, basketballs, and more have been distributed. This distribution further advances the mission to enhance the overall well-being and development of students in rural areas, paving the way for a brighter and healthier future.

### **CSR Initiative with BeyondID**

BeyondID (BID) recently joined hands with the Heart of Giving Foundation for a remarkable CSR initiative, and the fruits of this collaboration are nothing short of impactful. On December 9th, 2023, BID extended its support to Govt High School Kurugal, Kolar, by providing essential school bags, sports equipment, sanitary pads, and stationary kits, thus enriching the educational journey of the students.

The vibrant CSR team from BID didn't stop at mere distribution; they infused the day with energy by actively participating in football and throw ball games with the children. This interactive approach created a joyful and unforgettable experience for both the team and the students. Furthermore, alongside the sports activities, a valuable session on female hygiene was conducted for the girl students, stressing the importance of holistic well-being.

Through these concerted efforts, BID and the Heart of Giving Foundation are actively contributing to making a positive difference in education and empowerment. This collaboration underscores the steadfast commitment of both organizations to uplift communities and cultivate a brighter future for the students of Govt High School Kurugal, Kolar. Together, they endeavor to leave a lasting impact on the lives of these young individuals, empowering them to reach their full potential.

### **CSR Initiative with PlaySimple Games**

#### **Virtual Class Set-up and Distribution of Study Materials at Belaku IAS Academy in Kolar District, Karnataka state: -**

PlaySimple Games, in collaboration with the Heart of Giving Foundation, embarked on a meaningful Corporate Social Responsibility (CSR) initiative with a vision to empower minds and transform lives. This partnership aimed to support underprivileged students through the provision of virtual classes and distribution of study materials, marking a significant stride towards inclusive education.

A notable visit was made to Belaku IAS Academy in Kolar, a beacon of hope for underprivileged students aspiring to excel in competitive exams like CET, UPSC, and KPSC. The impact of the Heart of Giving Foundation's donation of study materials and support for virtual classes was profoundly uplifting, igniting the aspirations of these determined individuals.

During the visit, a motivational session further galvanized the students, instilling a sense of resilience and ambition. The highlight of the day was the release of "Indian Constitution and Political Administration," authored by Mr. Belaku Harish, the visionary Founder of Belaku Academy, whose dedication to education and empowerment is commendable.

Kudos to Belaku Academy and the Heart of Giving Foundation for their role as catalysts of change in the community. Let's continue to rally behind initiatives that pave the way for a brighter future, irrespective of background

### **Virtual Class & Computer Lab Setup**

Establishing computer labs in government schools across rural areas of Kolar District, Karnataka, up to the 10th grade, marks a crucial stride in fostering digital literacy and facilitating access to technology-driven education. These labs serve as pivotal centers for students to acquire various computer skills, access educational resources, and navigate the vast expanse of online information. A standard computer lab setup encompasses:

1. **Computers:** Desktop computers and laptops tailored for educational purposes, outfitted with necessary software and internet connectivity to facilitate interactive learning.
2. **Networking Infrastructure:** Deployment of internet connectivity via broadband and other suitable means, coupled with networking essentials such as routers and switches, to ensure seamless access to online resources.
3. **Power Backup:** Integration of reliable power backup solutions like inverters to mitigate disruptions and guarantee uninterrupted access to computers, particularly in regions susceptible to power outages.
4. **Furniture:** Provision of ergonomic desks and chairs strategically arranged to accommodate students comfortably while engaging with computer-based learning activities.
5. **Software and Educational Content:** Installation of educational software, digital libraries, interactive learning modules, and other pertinent

applications aimed at enriching the learning experience and supplementing academic curriculum.

6. Technical Support: Assignment of trained personnel for prompt technical assistance and upkeep of computer equipment, ensuring optimal functionality and addressing any issues that may arise.

By implementing these comprehensive setups, government high schools in Kolar District can effectively bridge the digital divide, empowering students with the skills and resources necessary to thrive in an increasingly technology-driven world.

### **Distribution of Essential Study Materials**

Moreover, ensuring access to necessary study materials for school children is fundamental for their academic growth and success. These materials may comprise:

1. Textbooks: Aligned with the curriculum prescribed by the educational board and covering subjects like mathematics, science, social studies, languages, etc.
2. Notebooks and Stationery: Providing notebooks, pens, pencils, erasers, rulers, and other stationery items essential for taking notes, completing assignments, and engaging in classroom activities.

3. Reference Books and Supplementary Reading Material: Additional reading material, reference books, and educational resources to supplement classroom learning and encourage self-study.

### **Distribution of Sports Equipment**

In addition to computer labs, it's crucial to provide students with adequate sports materials for extracurricular activities to foster holistic development and promote physical fitness. Sports materials requirements may include:

1. Playground Equipment: Such as footballs, basketballs, volleyballs, cricket kits, skipping ropes, and other sports equipment suitable for various outdoor activities.
2. Indoor Sports Equipment: Such as chess boards, carrom boards, table tennis sets, and other indoor games to engage students during inclement weather or indoor sports events.
3. Safety Gear: Protective gear like helmets, knee pads, and gloves for sports like cycling, skating, and others to ensure students' safety during physical activities.

### **Distribution of Hygiene Materials for Girl Children**

Furthermore, addressing hygiene needs, particularly for girl students, is crucial for their health, well-being, and continued education. Providing hygiene materials like sanitary pads is essential to ensure menstrual hygiene management and promote girls' attendance and participation in school. The provision of hygiene materials may include:

1. Sanitary Pads: Distribution of sanitary pads to girl students to support their menstrual hygiene needs and ensure they can attend school comfortably during menstruation.
2. Hygiene Education: Conducting awareness programs and educational sessions on menstrual hygiene management, emphasizing the importance of proper hygiene practices and addressing any related stigmas or taboos.
3. Sanitation Facilities: Ensuring access to clean and hygienic toilets equipped with proper sanitation facilities like running water, soap, and waste disposal facilities to support overall hygiene and well-being.

By implementing these initiatives, government schools in rural areas can create conducive learning environments that cater to the holistic development and well-being of students, fostering a brighter future for the community as a whole.
