Message from the Founder

Changing the Society Step by Step Through Sports & Education - Every Child Deserves a Chance

Heart of Giving, a nationally recognized non-profit organization, was founded in 2016 with a mission to inspire, empower, and uplift underprivileged children. The organization, spearheaded by Mr. Antony Sajeeth S, a dedicated mentor, sponsor, counselor, and coach, is committed to bringing about positive change in the lives of disadvantaged children and society as a whole.

Antony Sajeeth, the visionary behind Heart of Giving, has devoted his life to uplifting needy and underprivileged children by providing support for academic excellence and participation in sports. His goal is to help these children build a better future for themselves and, in turn, contribute positively to society.

The organization's initiatives revolve around both academics and sports, recognizing the holistic development of children. The results of these initiatives have been highly encouraging, showcasing the transformative power of education and sports in the lives of underprivileged youth.

While Antony Sajeeth serves as the face of Heart of Giving, the success of their various initiatives would not be possible without the invaluable support of generous donors and dedicated volunteers. These individuals contribute their time, resources, and expertise to the organization's projects, making a significant impact on the lives of the children they aim to uplift.

In summary, Heart of Giving stands as a beacon of hope and positive change, driven by the passion and dedication of Antony Sajeeth and fueled by the collective efforts of donors and volunteers who share the organization's vision of creating a better future for underprivileged children and society at large.

About Needuva Hrudhaya Foundation

Our Vision

Envisioning Joyful, Healthy, and Empowered Children: Upholding their rights with dignity, justice, and equity in a compassionate society

Our Mission

Inspiring Measurable Impact - We strive to empower children with quality education, health, and creative opportunities. We protect their rights and honor their dignity, creating a society built on respect, justice, and equity for all

Empowering Children's Dreams - Our mission is to foster happy, healthy, and well-rounded children. Through tangible contributions like scholarships, sports facilities, and computer labs, we equip underprivileged children for a promising future

Bright Futures, Happy Children - We measure our success through children's achievements. From academic excellence to sporting triumphs, we follow their progress and support them until their dreams become a reality

Our Objectives

- a. Empowering Women: Fostering Strength and Equality
- b. Pink Room - Promote good hygiene practices amongst girl students
- c. Provide access to good quality digital education
- d. Promote sports to train talented students to be a part of sports competitions
- e. Provide basic infrastructural facilities at Govt. schools
- f. Encourage overall academic performance by providing scholarships to bright students

Projects and Programs

1. Pink Room - Empowering Girls and Women's Hygiene

The Pink Room initiative is a commendable effort to address a critical aspect of girls' and women's well-being, particularly in the context of education. By providing a dedicated space for menstrual hygiene management, the initiative goes beyond merely fulfilling a physical need. It embodies a commitment to equality, education, and the holistic welfare of girls, acknowledging and addressing the challenges they face during their menstrual periods.

The inauguration of the First Pink Room in Govt. High School at Madanahalli Cross, Kolar Taluk, Karnataka, in November 2022 and the Second Pink Room constructed in Govt. High School at Kurugal Village, Kolar District, Karnataka, marked a significant milestone in enhancing the learning environment for girls. The absence of proper toilet facilities had been a persistent challenge for female students, leading to disruptions in their education during menstruation. The Pink Room not only addresses this immediate concern but also sets the stage for a more inclusive and supportive educational environment.

Pink Room reflects a commitment to investing in the well-being and dignity of girls. These rooms are equipped with essential facilities such as a bed, attached bathroom, changing room, sanitary napkin vending machine, and incinerator for the safe disposal of used pads. This comprehensive approach ensures that girls have access to not only hygiene products but also a private and comfortable space to manage their menstrual needs.

Needuva Hrudhaya Foundation

Child - Chance -Change: Every child deserves a chance

The initiative serves as a model for compassionate and impactful solutions that can bring about lasting change in communities. By prioritizing the needs of girls and women, the Pink Room initiative contributes to breaking down barriers to education and fostering a supportive environment for female students. The symbolic significance of the Pink Room goes beyond its physical components; it represents a commitment to empowering girls and women, acknowledging their rights, and facilitating their active participation in education.

As the Pink Room initiative continues to expand, it has the potential to inspire similar endeavours in other communities and regions. By highlighting the importance of addressing menstrual hygiene in educational settings, this initiative contributes to a larger conversation about gender equality, inclusivity, and the creation of environments that support the well-being of all students.

2. Essential Study Material Distribution

In a bid to support academic excellence, study materials were distributed to students at the Govt. School in Madenahalli, Kolar, Karnataka. This initiative aims to enhance learning opportunities and bridge resource gaps, ensuring that every student has access to essential educational materials. The distribution included textbooks, notebooks, school bags, sports materials and other essential study aids, fostering an environment conducive to effective learning. By providing these materials, the school is actively promoting equal access to education and empowering students to excel in their studies. This thoughtful gesture reflects a commitment to nurturing the educational growth of students in Madenahalli.

3. Women Empowerment – Tailoring Classes

Women empowerment refers to making women socially and financially independent. Women empowerment is a process in which women make their own independent decisions. When women are entitled to decide, it gives them a sense of empowerment and more worth. Women empowerment refers to raising the social status of women through education and self-employment. Women's economic empowerment aims to make them economically independent and self-sufficient. For the Women Empowerment by setting up a Tailoring Classes for the underprivileged women of Somanathpur Village of Bagepalli Taluk, Kolar, Karnataka.

4. Virtual Class for 1-7 Grades

The Government-Aided School in Somnathpur village, Bagepalli Taluk, is embarking on its digital learning journey. With a focus on 180 underprivileged students, the foundation sponsored essential tools such as a projector, Projector Screen, Speaker, laptop, and public address system to facilitate visual classes for children from standard 1 to 7.

This generous contribution aims to make learning more accessible and engaging for the students. Adding to the initiative's impact, these efforts mark the first step towards enhancing education through virtual classes, creating a positive and inclusive learning environment for the children in Somnathpur village.

Impact Assessment

The Foundation's initiatives have catalysed a significant positive social impact across various fronts. The construction of Pink Rooms dedicated to girls' and women's hygiene has not only improved access to proper facilities but also fostered a more inclusive and supportive learning environment. The distribution of study materials such as school bags and sports equipment has alleviated financial burdens on underprivileged students and encouraged their holistic development. Furthermore, the provision of free tailoring classes for underprivileged women has empowered them with valuable skills for economic independence and social integration. Lastly, the introduction of virtual classrooms in rural areas has expanded access to quality education, bridging the digital divide and preparing students for success in the digital age. Together, these initiatives signify a commitment to social equity, empowerment, and community development.

Governance & Compliance

Introduction: Needuva Hrudhaya Foundation, a section 8 non-profit company, is committed to its mission of promoting education, healthcare, and community development initiatives. As part of its commitment to transparency and accountability, the Foundation presents its Governance and Compliance Report for the financial year 2022-23.

Compliance with Regulatory Requirements: Throughout the financial year 2022-23, Needuva Hrudhaya Foundation diligently adhered to all regulatory requirements set forth by relevant authorities, including the Registrar of Companies (RoC), Income Tax Department, and any other applicable regulatory bodies.

Financial Management: The Foundation maintains a prudent approach to financial management, prioritizing transparency, accuracy, and accountability. All financial transactions are conducted in accordance with established policies and procedures, with regular audits conducted to ensure compliance and accuracy of financial records.

Transparency and Accountability: Needuva Hrudhaya Foundation places a strong emphasis on transparency and accountability in all its operations. Detailed financial statements, including income and expenditure reports, balance sheets, and cash flow statements, are prepared and presented to the Board and stakeholders regularly.

Internal Controls and Risk Management: To mitigate risks and ensure the integrity of operations, the Foundation has implemented robust internal controls and risk management practices. These include regular internal audits, segregation of duties, and adherence to ethical standards in all dealings.

Conclusion: Needuva Hrudhaya Foundation remains steadfast in its commitment to governance excellence and compliance with regulatory requirements. Through transparent and accountable practices, the Foundation continues to uphold its mission of making a positive impact on society and empowering communities for a brighter future.

This Governance and Compliance Report for the financial year 2022-23 serves as a testament to the Foundation's dedication to responsible stewardship and ethical conduct in all its endeavors.

Future Initiatives (2023-24)

For the future initiative projects spanning 2023-2024, several impactful endeavours are underway to uplift communities and promote empowerment across rural Karnataka State.

1. More Pink Room Construction: The initiative aims to empower girls and women by constructing additional Pink Rooms in Government High Schools across rural areas. These rooms serve as safe spaces for girls to address their hygiene needs, fostering dignity and promoting menstrual hygiene management.

2. Study Materials Distribution: To support economically backward students in Government High Schools, study materials including school bags and sports equipment will be distributed. This initiative ensures that all students have access to essential educational resources, regardless of their financial constraints.

3. Women Empowerment through Tailoring Classes: Free tailoring coaching classes will be established for underprivileged women, accompanied by the distribution of tailoring machines. Additionally, these women will undertake orders for stitching school uniforms, providing them with an income source and promoting self-reliance.

4. Introduction of Virtual Classrooms: Virtual classrooms will be introduced in more locations at Government-Aided Schools in rural areas of Kolar district. This initiative leverages technology to enhance educational opportunities, allowing students to access quality education remotely and bridging the digital divide.

These future initiatives reflect a commitment to holistic development and empowerment, addressing various aspects ranging from education and hygiene to economic empowerment. Through collaborative efforts and targeted interventions, these projects aim to create positive and sustainable change in rural communities, ultimately fostering a brighter future for all individuals.
